

World Child Forum 2026

next: July, 2026 in Davos | Switzerland

are looking for YOU and your project

- You are between 8 and 26 years old
- You have a project in your school, community or country to change your world to the better
- Your project has a new way of decision-making
- Your project views the world from a children's perspective
- Your project can inspire the world

Your initiative changes the world in these areas

- Peace Work
- Sustainability
- Environmental protection
- Education
- Conflict solutions
- Diversity
- Children's rights
- Human rights
- Women's and girls's rights

Introduce your project and send us an email or a video (1 min) to

project@world-child-forum.org

World Child Forum is completely barrier free. All children and young adults with or without a disability are welcome. Basic knowledge of English is a requirement.
